

Company Profile

Empowering Healthcare

Established in 2015, JPM Trading is a leading medical business founded by John Paul Medina, a prominent figure in the industry. With a strong background in the medical sector, John Paul Medina embarked on a journey to establish his own company after years of experience and dedication to his family's business, R. Medina Medical Distributor Inc., now known as Medical Depot.

Originally founded by John Paul's father in 1990, Medical Depot has grown into a reputable company with 57 branches nationwide. This rich legacy served as the foundation upon which JPM Trading was built. At a young age of 14, John Paul Medina started actively contributing to the family business while pursuing his high school and college education. By the age of 18, he assumed the role of operations manager, overseeing the day-to-day operations and ensuring the company's success.

Driven by a passion for entrepreneurship and a desire to forge his own path, John Paul Medina sought his parents' support to establish his own company. With their unwavering encouragement, he began JPM Trading from scratch, leaving an indelible mark on the medical retail industry. Throughout the years, JPM Trading has established partnerships with renowned brands, including local market leaders like TERUMO and INDOPLAS, expanding its product portfolio and presence.

Recognizing the importance of offering a comprehensive range of medical equipment and supplies, JPM Trading has actively collaborated with factories and dealers worldwide. These partnerships enable the company to continuously enhance its product assortment and maintain a competitive edge in the market. With a commitment to providing high-quality medical equipment, JPM Trading is proud to be an authorized dealer of MEDCARE Germany, a prestigious company renowned for its excellence in manufacturing top-tier medical equipment worldwide, particularly in Southeast Asia.

At JPM Trading, we believe that our success lies in our dedication to customer satisfaction. With 14 years of experience in the industry, John Paul Medina and his team are committed to delivering exceptional after-sales service and continuous support to our valued clients. We prioritize building lasting relationships with healthcare professionals and institutions, ensuring that their needs are met with utmost care and efficiency.

Driven by our mission to empower healthcare, JPM Trading is dedicated to providing top-quality medical equipment, supplies, and unparalleled service to our customers. We are proud of our accomplishments and excited about the future as we continue to make a positive impact on the medical industry.
